

PATRICK MORGAN

WEB DEVELOPMENT, STRATEGY AND DESIGN

Experience

2016	American Express
2014	Front End Developer
	Prototyped and developed new product features, existing feature overhauls and small enhancements and bug fixes
	Created a modular, responsive front end architecture to support multiple products on one platform (American Express Serve, Walmart Bluebird + Target Prepaid Redcard)
	Managed team front end workflow and version control
	Implemented build tools like Grunt and linting tools like jshint and scss-lint to ensure the quality of code pushed to production
	Collaborated with designers to develop motion design and visual design aesthetics that reflect the strengths of web technologies
	Mapped user behavior to service flows and technical architecture
	Was the go-to guy for all things related to platform design patterns
2014	General Assembly
2013	Web Development Immersive Student
	Studied full-stack web development in an intensive bootcamp
	Learned programming from the ground up, starting with computer science fundamentals and ultimately building a variety of Ruby on Rails web apps
2013	Leo Burnett
2012	Junior Brand Strategist
	Chosen to work on Fortune 500 brands: Esurance, MillerCoors, Sprint + Fifth Third Bank
	Lead strategist on: Esurance sponsorship of the US Open (tennis) Esurance sponsorship of Star Trek Into Darkness Esurance DriveSafe program (teen safe driving)

Education

2012	Davidson College
2008	BA Political Science, Spanish Minor
	President of 'Androgyny', Davidson's first co-ed a-cappella group
	Studied abroad for a semester at the Pontificia Universidad Catolica in Santiago, Chile and a summer at the Universidad de Cadiz, in southern Spain
